

Web Design & Implementation

Assignment 1

Due: Next Section. (*one day before if you submit by email*)

Notes: This assignment is individual assignment, every student should complete it by himself.

Create a report to include the following:

1. (5 point) Write the appropriate code to create HTML page as shown in the Next page.
2. (2.5 point) Instead of writing the code as a plane text, search online and try to find 3 (or more) free HTML builder, then summarize the advantage and disadvantage of each. Finally, recommend one builder based on your research.
3. (2.5 point) Search online and try to find 3 (or more) free Hosting service supporting FTP, then summarize the advantage and disadvantage of each. Finally, recommend one service based on your research.

Hello HTML World

This is my first HTML page, and here is some information about me.

Name: Ahmed Sallam

Interests: Reading, Writing, Chess.

Don't forget to leave me a comment here
